January 15, 2014

Dear Mr. Coates:

I want to offer you my warmest congratulations on being selected by Scholastic Inc. as finalists for the Lexus Eco Challenge and for winning the "Air and Climate" challenge.

This award is a wonderful acknowledgment of the hard work, ingenuity and commitment you and your teammates have shown with your renewable energy project. It is truly impressive to learn about your dedication to renewable energy generation and utilization. Thank you for your efforts to increase awareness of current energy and environmental concerns.

Please accept my congratulations and best wishes as you advance to the Lexus Eco Challenge Finals.

Sincerely,
